Name

- Dr. K.R.S. Sambasiva Rao is a distinguished academic and researcher with extensive experience in various fields of science.
- His contributions to biotechnology, pharmacy, and environmental science are widely recognized in the academic community.
- He has held several key positions in universities and research institutions, demonstrating his leadership and expertise.
- His work spans across multiple disciplines, reflecting his interdisciplinary approach to research and problem-solving.
- Dr. Rao's commitment to education and research has significantly impacted the fields he has been involved in over the years.

Present Position

- Currently, Dr. K.R.S. Sambasiva Rao serves as the Vice-Chancellor of Mizoram University, a central university in India.
- In this role, he is responsible for leading the university's academic and administrative affairs, ensuring its growth and development.
- He provides strategic direction to the university, fostering an environment of academic excellence and research innovation.
- His leadership aims to enhance the university's reputation and contribute to the advancement of higher education in the region.
- Dr. Rao's position allows him to shape the future of Mizoram University and its impact on the broader community.

Date of Birth

- Born on August 15, 1958, Dr. K.R.S. Sambasiva Rao has dedicated his life to education, research, and academic leadership.
- His extensive experience and accomplishments reflect a lifelong commitment to advancing knowledge and contributing to society.
- His career spans several decades, during which he has made significant contributions to various scientific and academic fields.
- Throughout his career, he has held various positions, showcasing his versatility and expertise in diverse areas of study.
- Dr. Rao's journey is marked by a continuous pursuit of excellence and a passion for fostering academic growth and innovation.

Address

- Dr. K.R.S. Sambasiva Rao's correspondence address is at the Vice-Chancellor's office, Mizoram University, Aizawl, Mizoram, India.
- Located in Tanhril, Aizawl, the university serves as the central hub for his academic and administrative activities.
- The provided phone numbers and email address facilitate communication and collaboration with colleagues and stakeholders.
- This address ensures that he is accessible for official matters related to his role as the Vice-Chancellor.
- The location of his office within the university campus allows him to effectively oversee the institution's operations and initiatives.

Other Positions

- Dr. K.R.S. Sambasiva Rao has held several visiting professorships at prestigious universities in Malaysia and Panama.
- He served as a Visiting Professor at the University of Malaysia Terengganu, UCSI University, Malaysia, and INDICASAT, Republic of Panama.
- These international appointments reflect his global recognition and expertise in various scientific fields.
- His contributions to these universities have enriched their academic programs and fostered international collaborations.
- Dr. Rao's involvement in these positions showcases his commitment to sharing knowledge and promoting research on a global scale.

Scientific Positions

- Dr. K.R.S. Sambasiva Rao has held significant scientific positions, including serving as the General Secretary of the Association of Biotechnology & Pharmacy.
- He is also the Editor of Current Trends in Biotechnology & Pharmacy, showcasing his leadership in scientific publishing.
- These roles demonstrate his active involvement in promoting research and development in biotechnology and pharmacy.
- His contributions have helped to advance the fields of biotechnology and pharmacy through scholarly publications and organizational leadership.
- Dr. Rao's positions highlight his commitment to fostering scientific excellence and innovation in the academic community.

Education

- Dr. K.R.S. Sambasiva Rao's educational background includes a D.Sc. in Biotechnology from Berhampur University, India.
- He holds Ph.D. degrees in Pharmaceutical Sciences from Andhra University and Zoology from S.V. University, Tirupathi.
- His academic qualifications also include multiple Master's degrees in Zoology, Psychology, and Information Technology.
- He has an MBA in Clinical Research and Pharmacy, and an MA in Sociology, reflecting his diverse academic interests.
- Dr. Rao's extensive education demonstrates his commitment to lifelong learning and interdisciplinary expertise in various fields.

Research Publications

- Dr. K.R.S. Sambasiva Rao has an extensive publication record, including 255 research papers and 8 filed patents.
- He has made 6 gene bank submissions and authored 24 general scientific articles, showcasing his research productivity.
- He has presented 68 papers in symposia and authored/co-authored/edited 12 books, contributing significantly to scientific literature.
- Additionally, he has edited 10 books for Distance Education, demonstrating his commitment to accessible education.
- His substantial research output highlights his dedication to advancing knowledge and contributing to the scientific community.

Research & Teaching Experience

- Dr. K.R.S. Sambasiva Rao has 40 years of research experience in Environmental Toxicology & Physiology, Aquaculture Biotechnology, and Fermentation Technology.
- He has 32 years of teaching experience, demonstrating his commitment to education and mentorship in various scientific disciplines.
- He has guided 25 Ph.D. students and 20 M.Phil students, contributing to the development of future researchers and academics.
- His extensive experience in both research and teaching underscores his dedication to advancing knowledge and fostering scientific talent.
- Dr. Rao's contributions have significantly impacted the fields of environmental science, biotechnology, and pharmaceutical research.

Membership in Editorial Board of Journals

- Dr. K.R.S. Sambasiva Rao is the Editor of Current Trends in Biotechnology and Pharmacy, showcasing his leadership in scientific publishing.
- He serves as an Associate Editor for the International Journal of Pharmacology and Biological Sciences, contributing to scholarly publications.
- He is a Member Editor for the Journal of Applied Biosciences and a Member of the Editorial Board for Research Journal of Biological Science.
- He also serves on the Editorial Boards of Bioscan, the International Journal of Pharmagenesis, and The Journal of Genetics.
- His involvement in these editorial boards highlights his commitment to promoting scientific excellence and disseminating knowledge in various fields.
